HON'BLE MS. JUSTICE REKHA BORANA

Order

24/07/2026

1. The present writ petitions have been filed aggrieved of orders dated 29.05.2026 (Annexure-10) and 01.06.2026 (Annexure-7) (in SBCWP Nos.10216/2026 & 10230/2026, respectively) whereby the services of the petitioners who had been working as 'Lab Technician' through a placement agency,

have been sought to be terminated and of orders dated 27.05.2026 (in SBCWP No. 10233/2026) whereby the persons selected in terms of the Rajasthan Contractual Hiring Civil Posts Rules, 2022 (hereinafter referred to as 'Rules of 2022') have been accorded appointments.

2. This Court in ***Ravi Chahar Vs. State of Rajasthan & Ors.; S.B. Civil Writ Petition No. 10325/2026*** (decided on 14.07.2026) has already taken a view that after the recruitment process in terms of Rules of 2022 having been completed, the earlier employees working through the placement agency would have no right to continue. In ***Ravi Chahar*** (supra), this Court, while dealing with the said issue held as under:

"6. Admittedly, Rules of 2022 were brought into effect from 11.01.2022. As per the purpose and intent of the said rules, they were framed and implemented in pursuance to a policy decision of the State to enter into a direct engagement with the employees and remove the placement agencies in between. Vide the said rules, the employment was to be made directly by the State through regular recruitment process, on contract basis. Further, the Rules of 2022 have not been assailed in the present writ petition. Furthermore, requisition dated 13.05.2022 whereby the posts were created and sanctioned for all the Government Medical Colleges as well as the RajMES Society, has also not been laid a challenge to in the present petition.

7. In view of the above, this Court is of the considered opinion that the petitioners have no right to claim extension as a matter of right as firstly, the administrative decision of the State whereby the Rules of 2022 were promulgated having not been challenged, no finding qua the said rules can be recorded by this Court. Secondly, the action taken by the State in terms of the

Rules of 2022 being not impugned, the appointments made in terms of the said rules cannot be termed to be bad. Thirdly, even as per the petitioners, they were accorded appointment with a specific condition that the same was being granted till the regularly selected candidates in terms of the Rules of 2022 are appointed. The same having been accepted by the petitioners, they cannot now turn up and say that they are entitled for extension of their services or not to be replaced by the persons appointed in terms of Rules of 2022.

8. *No case of interference is made out and the present writ petition is hence, **dismissed.***"

3. Counsel for the petitioners however submitted that the respondent-Authorities are under the process to fill up the remaining vacancies again through a placement agency. However, no document to substantiate the said fact has been placed on record.

4. In view of the above, no case for interference is made out at this stage. The writ petitions are **disposed of.**

5. However, if the respondent-Authorities undertake any fresh process to fill up the remaining vacancies again through any placement agency, the petitioners shall be at liberty to approach afresh before the Court.

6. Stay applications and all pending application(s), if any, stand **disposed of.**
